Announcements & Tips :

Wildfire season in Oregon is hitting hard. Be sure to "know before you go" by checking for closures or fire restrictions before venturing out fishing.

Crazy Creek Fire - Ochoco National Forest
Closure area covers many streams in the Ochoco Forest east of Walton Lake and surrounding Big Summit Prairie.

Whisky Creek Fire - Mt. Hood National Forest
Access to Whatum Lake, Scout Lake, Rainy Lake, Black Lake, Kingsley Lake, Bear Lake and Warren Lake trailhead is closed due to an active wildlife.

"FISHIN' HOLE" Updates:

CROOKED RIVER:

trout, whitefish

Open to fishing all year below Bowman Dam. Try blue wing olive or midge patterns. Nymphing has been the most effective method. Anglers are reminded that Rainbow trout over 20 inches are considered steelhead and must be released.

Kudos to Voices of Joy: Hospice of Redmond's singing group, Voices of Joy, is bringing "JOY" to our community. Voices of Joy provides one hour of music to our local senior facilities and veterans programs at no charge.

This wonderful group of volunteers love to sing and share music with others. Music is a universal language that all can appreciate, it often brings back memories and puts smiles on faces.

To learn more about Voices of Joy including their schedule, or if you are interested in volunteering for hospice in other capacities, contact Jody at Hospice of Redmond. 541-548-7483 or by email at jody@hospiceofredmond.org
